November 28
Lights On Parade, line up at 5pm

Dance Recital

Costume Measurements

Dance costume measurements will be taken in classes the week of Oct 5-9. Each student will be sent home with their costume confirmation sheet listing the student's size and price for each costume. This form must be signed and returned to the studio by Nov 13 confirming the assigned sizes.

Please notes: ALL COSTUME CHARGES ARE AUTOMATICALLY DEDUCTED NOVEMBER 15.

A picture of each costume will be posted for your viewing once orders have been placed.

How Are Things Going?

Later this month studio staff will be giving each of you a call to make sure you are feeling comfortable in each of your classes. At this time, please let us know how we are doing and if there is anything we can help you with. We strive to meet all of your music and dance needs and to ensure you have a positive experience with us.

Observation Week

Our very first observation week for the season is October 26-30. We encourage parents to come and observe the work our students have learned and accomplished in class since the beginning of the year. We serve refreshments so you can relax and enjoy. Please bring cameras and video cameras to capture this special time in you or your child's music & dance development. It is always fun to look back to see how far they have come.

Please be considerate of students and instructors during this time by shutting down all cell phones and keeping chatter to a minimum. We are excited to show you the many things we have been working on!

Bring A Friend Week!

The week of October 26-30, each student is encouraged to invite a friend to either their music or dance class - for FREE! Instructors will be passing out invitations to each student to give to their friend. Invitations will need to be filled out so friends know what time and day to come to class. We are planning fun activities for our guests in class to make our friends feel welcome and excited about music and dance. Each friend will also take home a free gift for joining us during Bring A Friend Week. This is a great opportunity to show your friends the positive and exciting programs the studio offers. We encourage everyone to invite a friend!

Lights On Parade

This year the annual downtown Lights On Parade, "Candy Cane Lane," is scheduled for Saturday November 28. The studio will be singing and dancing while marching in the parade. We will begin this month teaching our students the choreography and music for our parade performance.

Participants need to line up in parade order on Monterey Street by 5:00 pm. You may leave your child at the float with parent and studio volunteers. The parade begins at 5:30 pm and will last approximately one hour. We will need all parents to pick up their child on Monterey Street from the float after the parade has finished. Students are asked to wear warm holiday attire.

3rd Annual Music Recital

Please join us on Friday December 18 at 7pm at the studio for our 3rd Annual music recital. Enjoy refreshments and performances by all our students. They have been working diligently to create a memorable evening. They would love to share their love for music with each of you.

*Music students: please meet with your teachers to finalize song choices.
